

The Bahamas

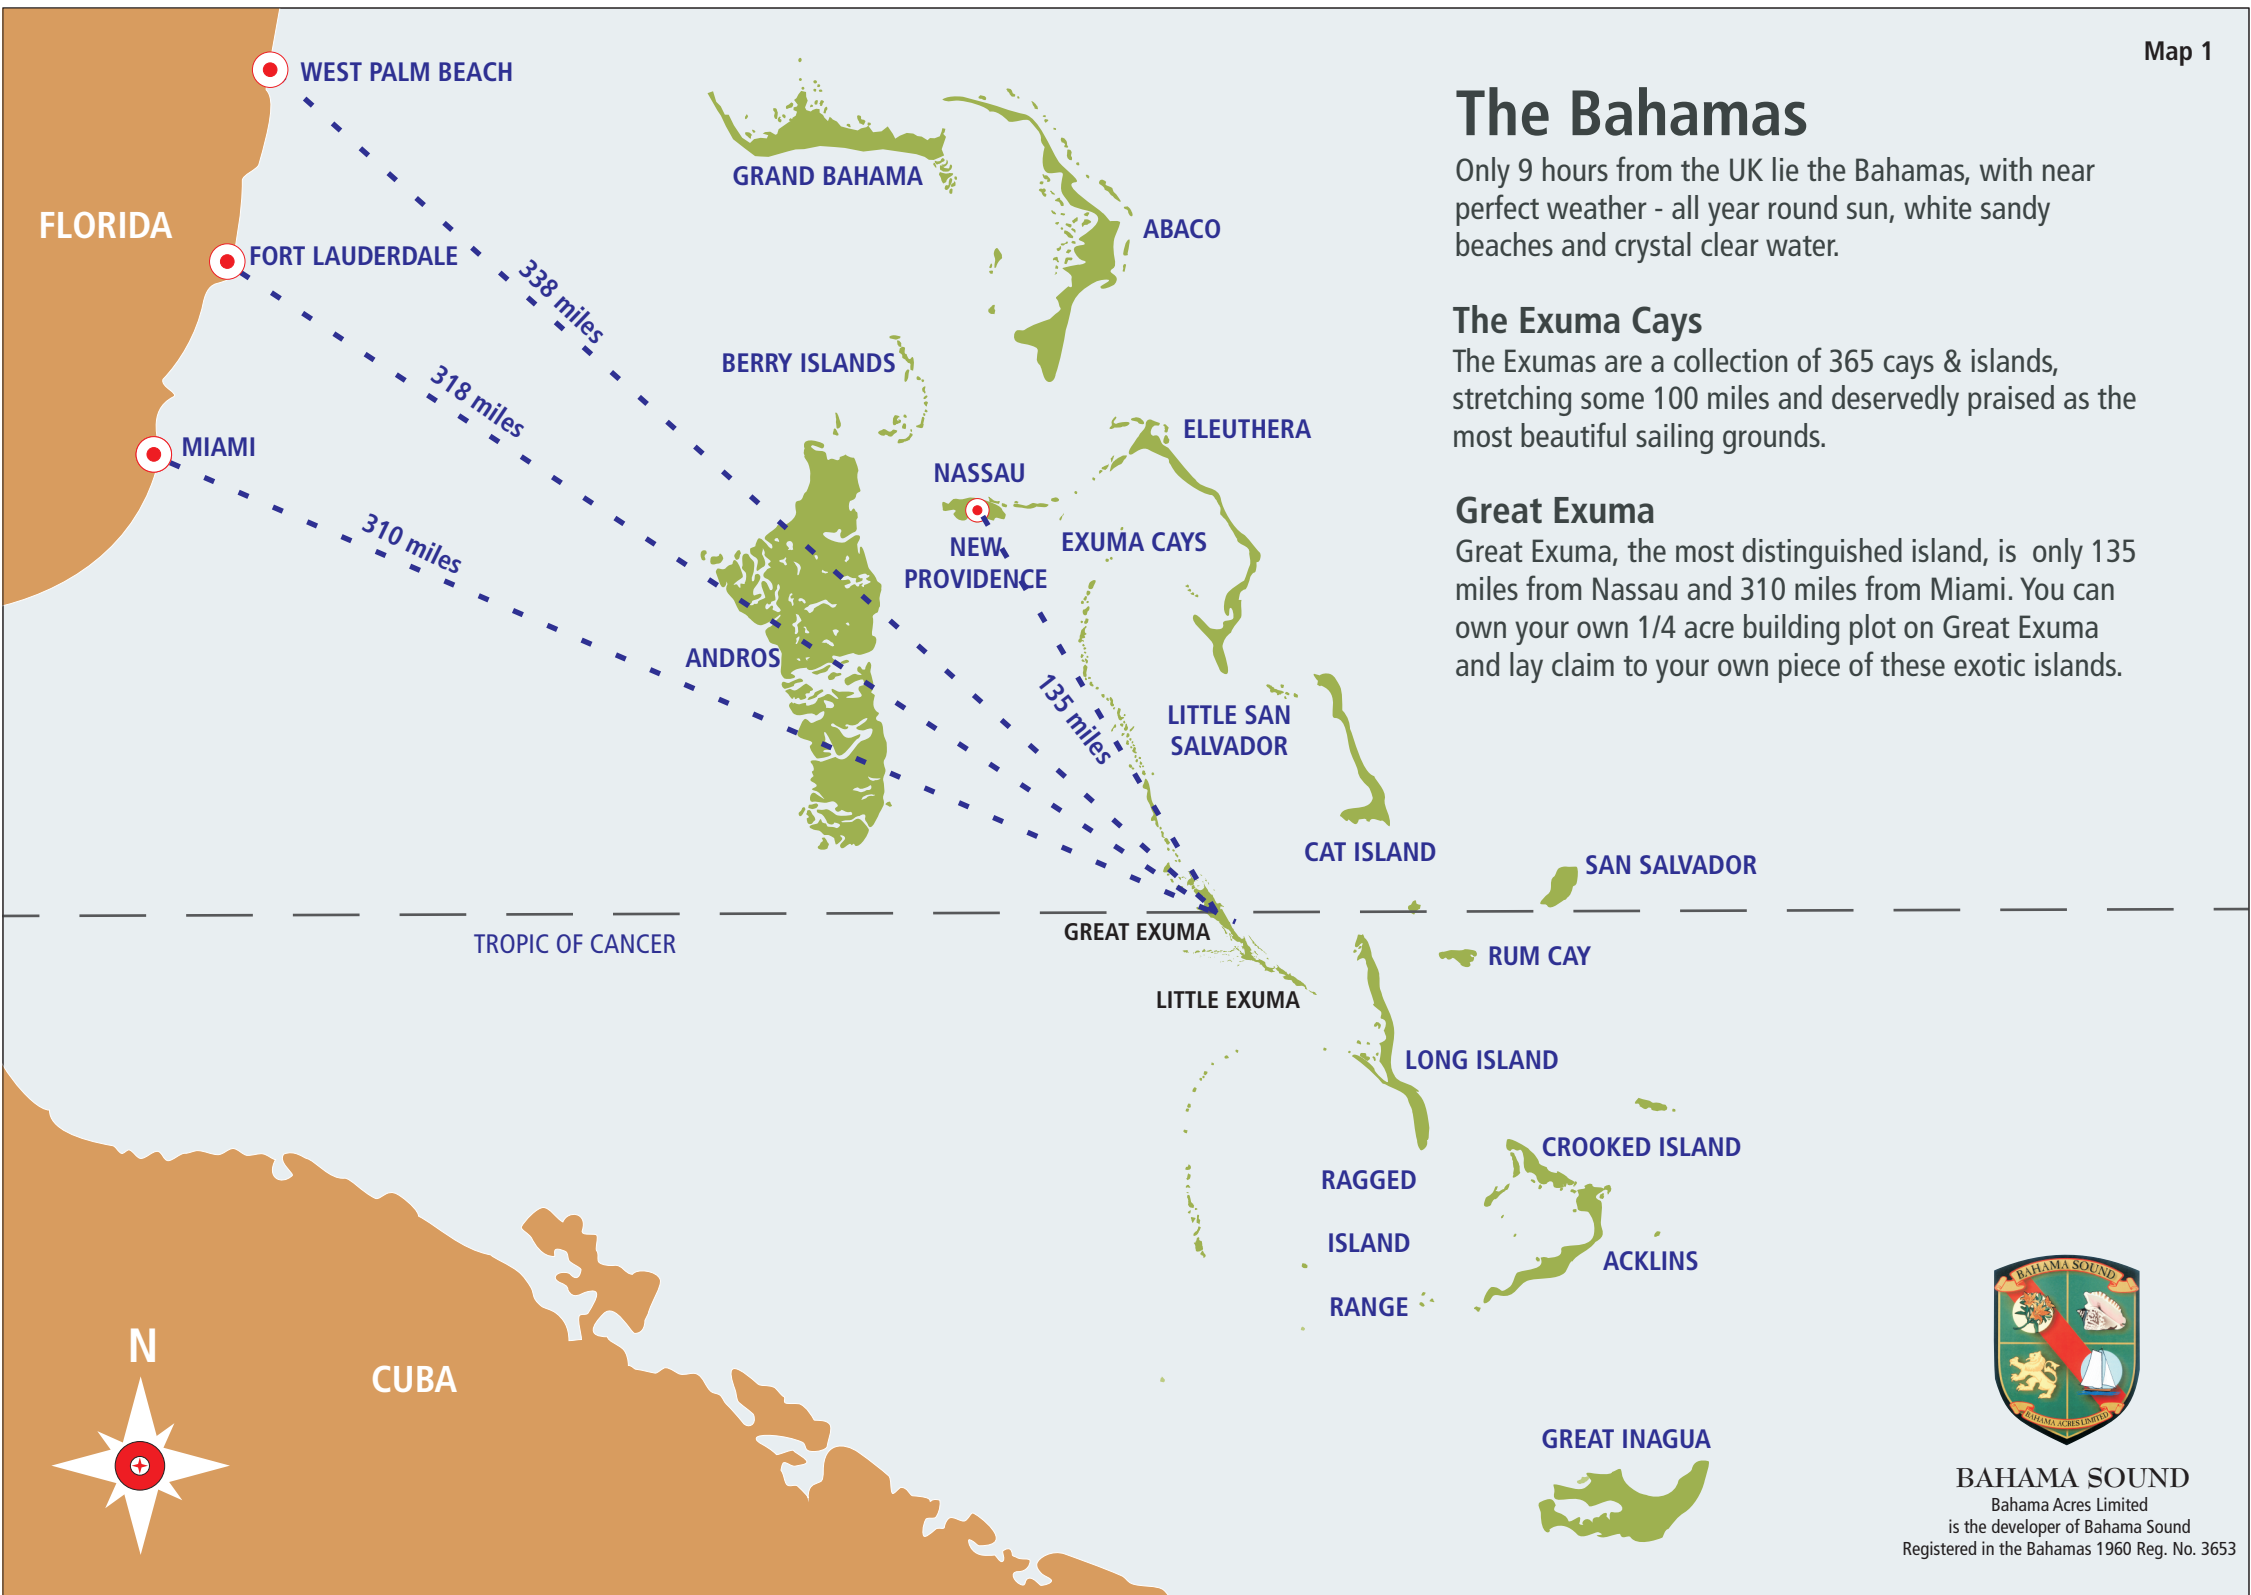

Only 9 hours from the UK lie the Bahamas, with near perfect weather - all year round sun, white sandy beaches and crystal clear water.

The Exuma Cays

The Exumas are a collection of 365 cays & islands, stretching some 100 miles and deservedly praised as the most beautiful sailing grounds.

Great Exuma

Great Exuma, the most distinguished island, is only 135 miles from Nassau and 310 miles from Miami. You can own your own 1/4 acre building plot on Great Exuma and lay claim to your own piece of these exotic islands.
